

Fast, responsive VOE/I reports

Direct in Encompass[®]

Benefits

- ✓ Tightened turn times
- ✓ Valued customer service experience
- ✓ Enhanced accuracy of information
- ✓ Increased quality of loan
- ✓ Reduced loan manufacturing costs
- ✓ Robust database of employers

We make it our job to verify employment. A better solution for today's employment verification needs with up to 50% faster turn times and transparency through the life of your loan origination. With quick access to 30+ verified database sources -- or roughly 4M employers and 150M records -- 1 in 2 reports are delivered in less than 12 business hours.

With direct integration in Encompass, now it's easy to order all your loan verifications seamlessly with Service 1st on one platform using "TRV Services" as your provider.
