Current scores (called bureau scores) are provided by the credit bureaus. Predicted scores (called potential scores) and score changes (called potential improvements or score improvements) are provided by CreditXpert Inc. ("CXI") and are not bureau or FICO scores or changes. Predicted scores and score changes simulated by CreditXpert(R) products are only estimates. CXI does not guarantee that scores from any other company will change by the same amount, in the same way, or at all, or that correcting credit report information will result in a score improvement. CreditXpert products are based on credit reports from the bureaus. CXI is not responsible for inaccurate results, including any due to incorrect, incomplete, or outdated credit report information or incorrect assumptions about the future. CXI is not a credit counseling or credit repair organization. CXI is not endorsed by Equifax, Experian, TransUnion or FICO.
